

Wells Fargo Equipment Finance, Inc.

Customized Solutions to Meet Your Needs

Aircraft financing *Experience you can trust*

Whether you are buying new, used, or retrofitting your current wide-body aircraft, we are ready to help. Staffed by aircraft financing professionals, most with over 20 years of experience, we take great pride in both our understanding of the aircraft industry and our expertise in providing financing solutions that fit your specific needs.

Choice through a wide range of customized financing solutions:

- Interim & Term Financing
- Loans and Leases
- Progress Payments
- Fixed and Floating Rates
- Access to bank-related products such as risk hedging, aircraft insurance and related products.
- Resource for international aircraft finance

With the *Strength of Wells Fargo*

Wells Fargo Equipment Finance, Inc. is backed by the financial strength and resources of Wells Fargo Bank. Wells Fargo was named “the world’s most respected financial institution” by *Barrons* in September of 2005. Wells Fargo Bank, N.A. has the highest possible credit rating, “Aaa,” from Moody’s Investors Service and the highest credit rating given to a U.S. bank, “AA+,” from Standard & Poor’s Ratings Services.

The Next Stage[®]

When you’re ready to buy or lease your next wide-body aircraft, we’re ready to offer the Next Stage in aircraft finance.
